[Date]

Dear Families,

Welcome to XtraMath!

We are excited to introduce you to XtraMath, a free web-based program designed to help your child develop fluency in basic math facts. Our goal is to strengthen their mathematical skills and build their confidence in math.

**\*\*What is XtraMath?\*\***

XtraMath helps students master addition, subtraction, multiplication, and division through engaging and fun practice. Each student will work at their own pace, and progress is tracked to show their improvement over time.

**\*\*Getting Started:\*\***

1. Visit [www.xtramath.org] (<http://www.xtramath.org>) to create an account.
2. Your child's teacher will provide them with a unique PIN to log in.
3. Set aside a few minutes each day for practice, ideally 3-5 sessions per week.

**\*\*Tips for Success:\*\***

- Encourage your child to work independently on their sessions.
- Celebrate their progress to keep them motivated!
- Reach out to their teacher if you have any questions or need assistance.

**\*\*Resources:\*\***

For more information, please visit the XtraMath website or contact us directly at [contact information].

Thank you for your support in helping your child succeed in math!

Warm regards,
