Y Combinator

[Address]
[City, State, Zip]

Dear Y Combinator Team,

I am writing to express my intent to apply for the Y Combinator residency program. My company, [Company Name], is focused on [briefly describe your startup and its mission].

Our team, comprised of [number] passionate individuals, has developed [briefly describe your product/service]. Since our inception, we have achieved [mention any key milestones or traction]. We believe that with Y Combinator's support, we can [explain what you hope to achieve with the program].

I have a background in [your professional background/experience], and along with my co-founders, we are committed to [mention specific goals or vision]. I am eager to leverage the resources and connections available through Y Combinator to accelerate our growth.

Thank you for considering our application. I look forward to the opportunity to contribute and learn from the Y Combinator community.

Sincerely,

[Your Name]
