Dear [Recipient Name],

I am writing to formally verify that [Client's Name] has been under my care since [Date] and has been diagnosed with [specific emotional or psychological condition]. To assist in their treatment, I am recommending the use of an emotional support animal (ESA).

The presence of an ESA is critical to [Client's Name]'s emotional wellbeing and helps mitigate the symptoms associated with their condition. [Provide a brief description of how the ESA assists].

I fully support [Client's Name]'s need for an emotional support animal and believe that their ESA will significantly contribute to their mental health and daily functioning.

If you have any questions or require further information, please do not hesitate to contact me at [Your Phone Number] or [Your Email Address].

Sincerely,
