Hey [Friend's Name],

I hope you're doing well! I wanted to share something cool I discovered recently - VLC Media Player! It's an amazing app that I think you'd really enjoy.

I've been using VLC to watch all my favorite movies and listen to music. It supports almost every format you can think of, which is super convenient. Plus, it's user-friendly and totally free!

If you haven't tried it yet, I highly recommend you give it a go. Let me know if you want help getting it set up!

Catch up soon?

Best,
