Dear [Patient's Name],

Subject: Follow-Up on Your VQ Scan Results

I hope this letter finds you well. I am writing to discuss the results of your recent ventilation-perfusion (VQ) scan conducted on [Date of Scan].

[Summary of Findings]

Include a brief overview of the scan findings, highlighting any significant results obtained.

Based on these results, I recommend the following next steps:

1. [Recommendation 1]
2. [Recommendation 2]
3. [Recommendation 3]

Please schedule a follow-up appointment with my office at your earliest convenience to discuss these results and any questions you may have. Feel free to reach out via phone or email if you have any immediate concerns.

Thank you for your attention, and I look forward to seeing you soon.

Sincerely,

[Your Name]
