Dear [Recipient's Name],

I am writing to formally address concerns regarding the adverse side effects associated with the use of Vyvanse (lisdexamfetamine dimesylate). [Insert a brief description of your experience with Vyvanse and the side effects encountered, including any relevant medical documentation or reports.]

Despite prior knowledge about potential side effects, the extent and severity of these effects have significantly impacted my health and well-being. [Explain how these side effects have affected your daily life, work, and emotional state.]

As a result, I am formally requesting [state the specific action you are seeking, e.g., compensation, a recall, additional research funding]. I believe it is important for [Recipient's Company/Organization] to take responsibility for the well-being of those affected by this medication. Please respond to this notice within [number of days, e.g., 30 days] so that we may discuss this matter further.

Thank you for your prompt attention to this serious issue.
