Dear [Doctor's Name],

I hope this letter finds you well. I am writing to request a prescription for Vyvanse. After our previous discussions about my struggles with [insert specific condition, e.g., ADHD or similar issues], I believe that Vyvanse could be beneficial for my treatment plan.

I would appreciate your consideration of this request and any recommendations you may have regarding my ongoing management. Please let me know if you require any further information or if we need to schedule an appointment to discuss this matter in more detail.

Thank you for your attention to this request. I look forward to your response.

Sincerely,
[Your Name]
