Dear [Friend's Name],

Guess what?!

I hope this letter finds you in the middle of an amazing adventure! I have some exciting news to share. [Insert a fun story or event, e.g., "I just found out that my cat can do backflips!"]

What have you been up to? I miss our awesome playdates! We should totally plan a superhero day soon! Maybe we can dress up and save the world from boredom!

Here's a riddle for you:

I have keys but open no locks. What am I?

(Answer at the bottom!)

Don't forget to tell me all about your latest adventures and what you think of my riddle!

Can't wait to hear from you!

Stay awesome,

P.S. The answer to the riddle is a piano!
