Dear [Recipient's Name],

I hope this letter finds you in good health and high spirits. I am writing to share with you the step-by-step process of performing Wudu, which is an important ritual purification in Islam.

****Step 1: Intention (Niyah)****

Begin by making an intention in your heart to perform Wudu for the purpose of prayer.

****Step 2: Say 'Bismillah'****

Start by saying "Bismillah" (In the name of Allah).

****Step 3: Wash Hands****

Wash both hands up to the wrists three times, ensuring that water reaches between the fingers.

****Step 4: Rinse Mouth****

Take water in your right hand and rinse your mouth three times.

****Step 5: Clean Nose****

Inhale water gently through your nose with your right hand and then expel it using your left hand. Repeat this three times.

****Step 6: Wash Face****

Wash your entire face three times, from the forehead to the chin and from ear to ear.

****Step 7: Wash Forearms****

Wash each forearm up to the elbows three times, starting with the right arm.

****Step 8: Wipe Head****

Wipe your head once with wet hands, starting from the front and moving towards the back and then returning to the front.

****Step 9: Clean Ears****

Wipe the inside and outside of the ears with your wet fingers once.

****Step 10: Wash Feet****

Wash each foot up to the ankles three times, starting with the right foot, ensuring that water reaches between the toes.

****Final Step: Conclude****

After completing Wudu, it is recommended to recite the Shahada (the declaration of faith) or make a short supplication.

I hope this guide helps you in your practice of Wudu. If you have any questions or need further clarification, please feel free to reach out.

Warm regards,
