Dear XQuartz Technical Support Team,

Subject: Technical Support Request for XQuartz

I hope this message finds you well. I am writing to request technical support regarding an issue I am experiencing with XQuartz.

[Briefly describe the issue you are facing, including any error messages, system specifications, and actions you have already taken to troubleshoot.]

I would appreciate your guidance on how to resolve this matter. Please let me know if any further information is required.

Thank you for your assistance.

Sincerely,
