Dear [Child's Name],

Ho Ho Ho! It's me, your Elf on the Shelf, [Elf's Name]! I'm back and so excited to spend this magical season with you! Each day, I'll be watching and reporting back to Santa about all the nice things you're doing.

Here are some fun activities we can do together:

1. [List a fun activity, e.g., bake cookies]
2. [List another activity, e.g., decorate the tree]
3. [List a third activity, e.g., read a Christmas story]

Remember, I love seeing your smiles and your kindness, so be sure to spread joy this holiday season! And don't forget to be on your best behavior!

Can't wait to see all the magical things you do!

Sparkly wishes,

[Elf's Name]

P.S. I'll be moving to a new spot each night, so make sure to check where I am every morning!
