Dear [Child's Name],

I hope this letter finds you well! I'm so excited to be back in your home for another holiday season. It's that magical time of year again, and I can't wait to see all the fun and joyful moments we'll share together! Remember, I'll be watching to see how you're behaving and spreading holiday cheer. Each night, I'll fly back to the North Pole to report to Santa about all the good deeds you've been doing - so be sure to be on your best behavior!

I've brought along a special surprise for you this year: [insert surprise or activity suggestion, e.g., "a fun holiday countdown calendar" or "a new game we can play together!"]. Let's make this season unforgettable! Make sure to be gentle around me and remember not to touch me! I can't wait for all the holiday adventures we'll have together.

With lots of elf hugs,

[Elf's Name]

Your Friendly Elf on the Shelf
