Dear [Child's Name],

Ho, ho, ho! It's me, [Elf's Name], your favorite Elf on the Shelf! I'm back from the North Pole and ready to spread some holiday cheer!

This year, I'll be watching your kindness and sharing all the joy with Santa. I can't wait to see the special things you do each day! Remember, I'll be keeping my eyes on just about everything!

Get ready for some fun adventures together. I might be hiding in silly places, so be sure to look for me every morning!

Let's make this holiday season magical!

Elfish hugs,

[Elf's Name]
