\*\*Dear [Child's Name],\*\*

Greetings from the North Pole!

I hope this letter finds you full of holiday cheer! As your special Elf, I'm excited to be watching over you this season. Remember, I'm here to spread joy and keep an eye on your good deeds as we count down to Christmas!

Each night, I will fly back to the North Pole to share stories about your adventures. Be sure to share your kindness and smiles with everyone around you.

I can't wait to see all the fun you'll have this holiday season!

Remember, no peeking when I fly home!

Magic hugs,

[Elf's Name]
