\*\*Dearest [Child's Name]\*\*,

As the twinkling of the holiday season draws near, the frosty air carries whispers of joy! I'm here to spread cheer as your magical Elf on the Shelf. Each night, I journey back to the North Pole to report to Santa about your wonderful deeds and merry spirit!

This year, I have a few special tasks in mind:

1. \*\*[Task One: E.g., kindness acts, helping others]\*\*

2. \*\*[Task Two: E.g., keeping your room tidy, being polite]\*\*

3. \*\*[Task Three: E.g., spreading laughter and joy]\*\*

Remember, my little friend, I'll be watching from my special spot each day, so let your heart shine bright and embrace the magic around you!

As a token of my visit, I bring you a sprinkle of Elf magic. Always keep your Christmas spirit alive, and who knows, maybe Santa will grant your greatest wishes this year!

With twinkling wishes and merry delight,

\*\*[Elf's Name]\*\*

Your festive friend and scout for Santa!

---

\*\*P.S.\*\* Don't forget to share your holiday dreams with me each night before bed!
