

Dear [Child's Name],

Oh, what a joy it is to be back in your home this holiday season! I'm your jolly little Elf on the Shelf, and my name is [Elf Name]. I've been keeping a close eye on all the fun you've been having!

I love the spark of joy in your eyes when you unwrap presents and the laughter that fills the air during cozy nights by the fire. My job is to report back to Santa about all the nice things you've done. Remember to be sweet and kind, so Santa knows you're on the nice list!

Each night, I'll be magically flying back to the North Pole to share the day's adventures with Santa. I can't wait to see where you'll find me in the morning.

Let's make this holiday filled with fun and laughter! You can even leave me little notes to share your wishes or to tell me about your day!

Keep being amazing!

With holiday cheer,

[Elf Name] the Elf

P.S. Don't forget to smile--it's my favorite magic trick!
