

Dear [Child's Name],

Ho Ho Ho! It's me, [Elf's Name], your special Elf on the Shelf! I'm so excited to return to your home this holiday season and keep an eye on you as Christmas approaches!

Each night, I'll fly back to the North Pole to report to Santa about your acts of kindness and cheer. Remember, I can't wait to see all the good things you do. But shhh! You mustn't touch me, or else I might lose my magic!

I hope we have a fun-filled holiday together! Make sure to be good and spread joy all around!

Merry Christmas!

Love,

[Elf's Name]
