Dear [Child's Name],
Ho Ho Ho!

It's me, [Elf Name], your friendly Elf on the Shelf! I've arrived from the North Pole and am so excited to see you this holiday season! Every night, I'll fly back to Santa and tell him all about your adventures, your kind deeds, and the fun things you do. Remember to be on your best behavior, as I'll be watching!

Each morning, I'll be in a new spot, so be sure to check around the house to find me! Can you guess where I'll be tomorrow?

I can't wait to celebrate this magical time with you! Let's make some wonderful memories together.

Merry Christmas!
