To Whom It May Concern,

In the haunting shadows of Yharnam, beneath the moonlit sky drenched in an eternal miasma, I find myself ensnared by the whispers of the night. The cobblestones beneath my feet tell tales of sorrow and redemption, of hunters forged in the fires of despair and defiance.

As I traverse the blood-stained streets, I seek solace amidst the chaos, yearning for a glimpse of light through the veil of nightmares. The grotesque beauty of this city calls to me, a tantalizing blend of horror and elegance that leaves an indelible mark on my soul.

Each encounter with the nightmarish creatures reignites my curiosity, beckoning me to delve deeper into the mysteries that lie beneath the surface. The hunters and beasts dance their eternal waltz, a symphony of madness that resonates within.

In this realm of darkness, I pen these words as a testament to my journey through the endless cycle of blood and dreams. May my heart remain untainted, for even amidst the terrors of Yharnam, there exists a flicker of hope.

Yours in the eternal hunt,
