To Whom It May Concern,

I find myself compelled to pen this letter, inspired by the haunting echoes of Yharnam's cobblestone streets and the whispers of forgotten tales that linger in the air. The night cloaks the city in its shadow, revealing a world where the line between reality and nightmare blurs. As a traveler through this forsaken portal, I have encountered the myriad of souls bound by the hunt, united in their fate yet divided by their fears. Each night brings forth new revelations, new horrors to confront, and the intoxicating thrill of the unknown.

In the heart of Yharnam lies a truth that must be unearthed. I beseech you, dear reader, to embrace the darkness and discover the light that flickers within. The time has come to awaken, to delve into the abyss of our existence, and confront what lies beneath the surface.

Yours in the shadows,
