Dear [Recipient's Name],

I hope this letter finds you in good spirits. As the Geo Archon, I wanted to share some thoughts inspired by the enduring nature of stone and the wisdom of ancient traditions.

Much like the etchings of history in Liyue, the bonds formed between us hold great significance. I look forward to nurturing this relationship with the strength and clarity of a well-crafted contract.

As we continue our journey, let us find solace in the steadfastness of our shared values.

Yours faithfully,
